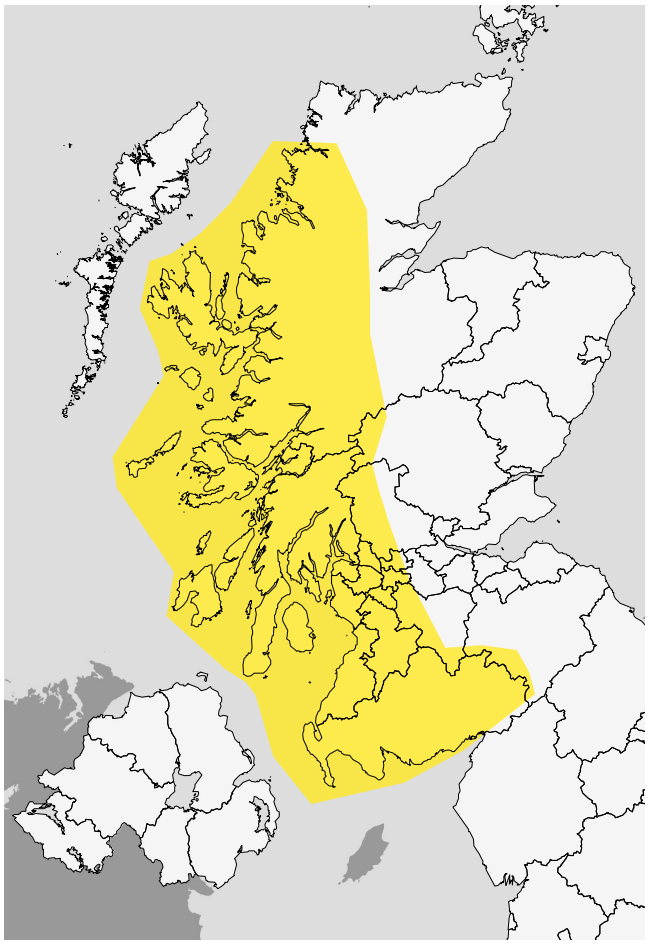
Yellow warning
Rain

Between
15:00 Sun 21 Jul 2019 and
23:59 Mon 22 Jul 2019



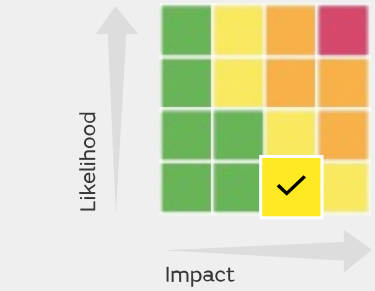
A spell of heavy rain is expected across parts of western Scotland which may lead to some flooding and travel disruption.

What to expect

- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a small chance that homes and businesses could be flooded, causing damage to some buildings

Further details

Rain will affect western Scotland from Sunday afternoon onwards through Monday before clearing northwards Monday evening and night. This rain will often be heavy and persistent, especially over hills. Many parts are likely to see 25 to 50 mm rain whilst over some western parts of Highland, Argyll and Dumfries and Galloway 75 to 100 mm rain possible over higher ground. This rain will be accompanied by strong winds, particularly during Sunday night and Monday morning when coastal gales are possible and 40 to 50 mph gusts may affect some hills and headlands.



Very low likelihood of medium impacts
